

## Biblical Perspectives on Life and "Killing" Issues

The Bible says in Exodus 20:13, "You shall not murder". Is the intentional taking of human life ever justified? The answer to this question is important, because it impacts National Defense, Capital Punishment, Abortion, Assisted Suicide, Euthanasia, and Self-Defense.

### Biblical Principles

**The Bible DOES differentiate between justified (not murder) and unjustified killing (murder). All intentional killing is considered unjustified and therefore murder EXCEPT for the following three situations:**

- 1) **Capital punishment by the state** (Gen 9:6; Ex 21:12-14; Lev 24:17; Num 35:31; Duet 19:11-13; Luke 23:39-41; Acts 25:10-12; Rom 13: 3-4). Note: even though the state has the right to inflict capital punishment, other biblical concepts such as mercy, fairness and redemption should be considered too.
- 2) **"Just" Wars** (defense of justice and suppression of evil, and in defense of homeland against an enemy) (Num 21:14; II Sam 22:35, 47-49; Esther 8:11; Neh 4:14-16, 7:1-3; Lev 26:1-8; Jer 51:20; Luke 14:31; Heb 11:33-34).
- 3) **Self- Defense by Individuals** (Ex 22:2; II Sam 2:18-23).

Potential Applications:

- \* National Defense and having a military is biblical
- \* Capital punishment is biblical
- \* Self-defense is biblical
- \* Abortion is unbiblical EXCEPT when necessary to save the life of the mother (i.e. self-defense); exceptions for other hard cases (e.g. rape, incest, severe deformity) may be necessary for political and judicial reasons and to exhibit compassion, mercy and grace.
- \* Assisted suicide and euthanasia are unbiblical

### LIFE RELATED SCRIPTURES

Here are some additional principles that relate to the issues of abortion, euthanasia, infanticide and suicide:

- 1) Life is from God (Gen 1:27, 2:7; Ps 139:15-16; Is 42:5, 49:1, 5).
- 2) Life belongs to God (Num 27:16; Ez 18:4; Ps 24:1, 89:11; I Co 16:9).
- 3) Life should be protected (Ex 20:13, 23:7; Duet 19:10, 27:25).
- 4) We should defend the defenseless (Ps 82:2-4; Prove 31:8-9; Is 1:15-17; Jer 22:3, 16).
